Why Are We Different?

1 Exceptional Learning

We aim to free our learners from boundaries that inhibit universal development.

4 Critical Assessment

Our learners are benefited from an analysis that enhances their skills.

2 Global Vision

We aim at preparing our learners for a progressive future.

5 Holistic Approach

Following which the learners boost their self-confidence.

3 Profound Curriculum

A set of knowledge that fulfills infinite dreams.

6 Career-Oriented

We provide opportunities for all preferences.

Our Vision, Mission, and Aim

1

Create what you Dream

2

Reflect your Potential

3

Embrace your Mistakes

Cambridge Wing

We prepare learners for life and develop passion for learning which inspire learners to have a wider vision.

7

Carefully designed, effective and continuous assessments

2

Cambridge trained and experienced teachers

5

Flexible seating to encourage differentiation

8

Professional development for teachers and parents

3

Focus on development of skill over content

6

Guest speakers, field trips, and workshops

9

Student Exchange Program

Salient Features of Cambridge Board

1

Establishes the benchmark for **International Education**.

2

Is strongly supported by teaching and learning tools, and offers a **solid foundation for learners** to move from one level to the next.

3

Enriches the knowledge and abilities that learners learn and acquire through tasks, projects, books, resources, films, and presentations.

4

Offers a **broad choice of subjects**, flexibility, and the chance for us to customize the Curriculum to make it engaging for our Learners.

5

Assessments are designed to assist parents and the school in **recognizing child's strengths** and where additional support is needed.

6

Generates learners who are ready for success in the modern world because they are dependable, thoughtful, innovative, and engaged.

Cambridge Early Years

A Holistic Approach is offered by the Cambridge Early Years Curriculum.

1

Cambridge Curriculum opens a **unique route for budding** minds so that they enjoy their learning.

2

It starts **developing the Character** of the learners from the very initial stage.

3

For teaching and learning in three Stages - **EY1 (for ages 2+), EY2 (for ages 3+), and STAGE 1 (for ages 4+)**- the curriculum includes a comprehensive collection of learning objectives (for ages 4+).

4

Cambridge Primary

It **gives learners a solid foundation to build upon** as they begin their academic careers before moving through the Cambridge Pathway in an age- appropriate manner.

It provides a **Well-Rounded Education** that will help them succeed in school, at work, and in life.

Learners embark on **a memorable educational adventure** when they attend Cambridge Primary

It is typically for learners between the **ages of 5 and 11**

Cambridge Lower Secondary

The **needs of the learners** are taken into account when following the curriculum.

1

Many schools offer Cambridge Lower Secondary in addition to their regular academic programs or as a **Multilingual Option**.

2

There are multiple opportunities for learners to foster their **Creativity, Expression, and Overall Welfare**.

3

The Cambridge Curriculum **Stretches, Challenges, and Inspires** our learners.

4

Summer Fields School History

1

Our Motto-->**Life-Light-Love**, emphasizes the importance of living life to the fullest, being a source of Positivity and Inspiration to others(light) and **spreading love and kindness** wherever we go.

2

Summer Fields International School was **established in 1953** by James Douglas Tytler. It is a prestigious educational institution and a **Unit of the K.R. Mangalam Group**, a Diversified Conglomerate.

3

We are proud to carry a **legacy of 70 years** of providing quality education, upholding strong values, and **shaping the future leaders** of society.

4

We are a **Progressive Member** of the Delhi Vocational School Society, demonstrating a **commitment to innovation and growth** in Education Management.

5

We aim to **provide a competitive practical and diverse learning Environment** that prepares students for success in a rapidly changing world.

6

Our efficient school management and dedicated team of educators **ensure a high standard of education** and a Postive learning Experience for Learners.

Chairman's Vision

Our ambitions cannot be fueled by a school that merely provides education. We firmly believe in adopting a plan that emphasizes the overall development of both instructors and learners. Our goal is to foster optimism and empathy in budding minds and ensure their welfare. A good character is more deserving of appreciation than anything else since we are its trustees.

INDER DEV GUPTA
Chairman

Cambridge Head's Mission

If the soul is not content, a smile is only a curve. This assertion deserves further consideration because it is more than just a collection of words. We are an educational organization whose goal is to develop not just as a service provider but also as a leader in the global movement for human well-being.

Learners at SFIS Cambridge have the opportunity to blossom in their own way, just as the light chooses its own path. Our goal is to provide a worldwide platform while upholding Indian values.

NEERA KANOJIA
Cambridge Head
and Cambridge
Ambassador

Facilities

Our campus offers state-of-the-art facilities including Science Labs, Libraries, Performing and Visual Art Studios, Early-Year Play Centers, Splash Pool, Basketball Court, Lawn Tennis Court, Skating Ring, Football Court, Running Track, PlayScape & Slides in the outdoors and Badminton, Squash, Table Tennis, Gymnasium, Chess, and Other board games in a dedicated indoor sports arena.

A THREE-TIER SECURITY SYSTEM WITH CCTV CAMERAS MONITORED IN THE SERVER ROOM

HEALTHY WHOLESOME AND BALANCED MEAL PLAN (BREAKFAST+LUNCH +FRUITS+SNACKS)

HEALTH ROOM & STUDENT COUNSELOR

CENTRALIZED AIR-CONDITIONED BUILDING, CLASSROOMS AND AC BUSES

AMPLE AND WELL-EQUIPPED PLAYGROUND

Teaching *Learning* Pedagogy

We instill **Character, Confidence, Curiosity, and Compassion** in our learners at Cambridge school.

01

Our job is to help each learner **realize** their **Potential and Natural Tendencies** so they can live happy fulfilling lives.

02

03

We make sure that **Academic Skills** are employed by ensuring that they are understood in context.

04

This ideology underpins all teaching and training- **Science, Literature History, Mathematics, and Art.**

Why Us?

Every Vision and Dream has a guiding principle.
For us, the best empowerment comes from “Acceptance.”

01 We provide a good balance of academic rigor and a **focus on learner’s overall development.**

02 In addition to **promoting global awareness**, we appreciate **Indian culture and values.**

03 We place focus on **creativity, critical thinking, communication, and teamwork** abilities appropriate for the 21st century.

04 We **employ educators and administrators with exceptional skills, experience, devotion and loyalty.**
